

**UN-REDD**  
PROGRAMME

# MRV meeting with UN-REDD countries

10-11 September 2009

# Introduction

**UN-REDD**  
PROGRAMME

# UN-REDD

- Response to:
  - UNFCCC Decision in Bali 2/CP.13
  - Requests from governments in the Coalition for Rainforest Nations
  - Requests from other governments – and UN Secretary General -- for joint UN action – “Delivering as One UN”

**UN-REDD**  
PROGRAMME

# UN-REDD

- Launched in September 2008.
- Collaborative initiative between three UN agencies (FAO, UNDP, UNEP).
- Objectives:
  - Assisting developing countries to “get ready” for participation in a future REDD mechanism.
  - Supporting the development of guidance and standardized approaches based on sound science.
- Pilot countries.

**UN-REDD**  
PROGRAMME

# Objectives of the meeting

- Share among countries and the programme agencies the current status of MRV tools and information in each UN-REDD country.
- Share a common vision on strategies for MRV in the UN-REDD countries.
- Present and deliver tools and data for MRV /UN-REDD in the countries.
- Update countries on the development of MRV toolkit and receive country inputs.
