

Planning Workshop
“A Green Economy Corridor in Kalimantan”

Date : Aug 12 – 13, 2011

Venue : Antasena Meeting Room, Le Meridien Hotel - Jakarta

Expected Outputs of workshop:

1. Allow core team to meet, scope and describe the ‘Green Economy Corridor in Kalimantan’ proposal with relevant experts
2. Allow modeling expert to get a realistic idea of scenarios, data availability and allow others to understand what the T-21 platform is and how he proposes to do this
3. Give stakeholders an opportunity to understand what the core team is proposing and to express their general expectations
