Country approach to safeguards

Summary of Information: Draft COP Decision proposed by SBSTA

Strongly encourages developing country Parties, when providing the summary of information (...), to include the following elements (...):

- (a) Information on national circumstances relevant to addressing and respecting the safeguards;
- (b) A description of each safeguard in accordance with national circumstances;
- (c) A description of existing systems and processes relevant to addressing and respecting safeguards, including the information systems referred to in decision 12/CP.17, in accordance with national circumstances;
- (d) Information on how each of the safeguards has been addressed and respected, in accordance with national circumstances;

Interactive exercise

- You are members of a national technical committee tasked to design a template for your country's summary of information on how **all** the safeguards are being addressed and respected throughout the implementation of REDD+ activities.
- You are meeting to discuss what elements should be included in the summary of information to make it transparent and accessible.
