

Awareness Raising Event

Anti-corruption for REDD+ in Asia and the Pacific

Bangkok, Amari Watergate, Banglampoo Room, 6th floor

20-21 October 2011

Context and objectives

The primary goal of the Awareness Raising event on Anti-Corruption for REDD+ is to **build a shared understanding of the corruption risks in REDD+ in the Asia Pacific region and the key role of anti-corruption actions** for effective and equitable systems in countries preparing for and implementing REDD+.

This goal will be achieved by:

1. Discussing anti-corruption entry points in different phases of REDD+ readiness programming,
2. Showcasing linkages of anti-corruption with activities already undertaken REDD+ readiness activities supported by the UN-REDD Programme, including on PGAs, social (and environmental) Principles and Criteria, FPIC and benefit distribution systems
3. Discussing stakeholders roles, including through the UN-REDD Programme, in supporting the mitigation of corruption risks in REDD+

Participants are encouraged to consult “Staying on Track: Tackling Corruption Risks in Climate Change”, available online at

http://www.unredd.net/index.php?option=com_docman&task=doc_download&gid=3790&Itemid=53, and in print and CD form.

This meeting follows the “Anti-Corruption and REDD+ Strategy Meeting” organized with anti corruption practitioners in Nepal on 20-21 October, whose highlights are summarized in the printout attached.
