

AGENDA

Benefit Distribution System Sub-technical Working Group: BDS Piloting Work

Background information: the UN-REDD Viet Nam Programme has contracted SNV to design and pilot mechanisms to provide local stakeholders implementing REDD+ interventions with the ability to self-determine their preferred approach to payment structuring, and specifically the selection of the beneficiary unit (household, village, commune, others) and form of payment (cash or various forms of non-cash benefits).

SNV consultation team has to consult with the STWG-BDS to seek comments/feedback on the criteria that the team has developed.

Venue: Room 403, B9, MARD, 2 Ngoc Ha, Ha Noi

Time: 9:00 – 11:00, Friday 4/11/2011
