

Worksheet 1: Priority Policies and Measures for assessment

Possible REDD+ Policies and Measures (PAMs)	Is this PAM expected to have a major role in REDD+ implementation?	Have any concerns been raised about this PAM?	Priority for assessment (high, medium, low)?
<i>E.g. Strengthening the sustainable management of production forest by linking the renewal of concessions to compliance with the provisions of the forest law</i>		X	<i>Medium</i>
<i>E.g. Fire management (including study on fire ecology in affected forests, developing fire hazard assessment tools)</i>	X		<i>High</i>
