

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (a)

<p>What measures could enhance the benefits or mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (b)

<p>What measures could enhance the benefits or mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (c)

<p>What measures could enhance the benefits or mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (d)

<p>What measures could enhance the benefits or mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (e)

<p>What measures could enhance the benefits or mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (f)

<p>What measures could mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>	

Worksheet 3.3: Analysis of planned or possible measures to enhance benefits, mitigate risks and fill gaps, in relation to safeguard (g)

<p>What measures could mitigate the risks?</p>	
<p>What potential sources of information could be used to provide information on addressing and respecting the safeguard?</p> <p>How could information be provided?</p>	
<p>How could gaps identified be filled?</p>
