

REDD+ Academy/Bhutan
Module 12 (Governance)
Group Exercise – Instructions

Group Exercise (Total time = 1 hour)

Part 1

Instructions

- Review the Federal Autonomous Kingdom of Elbonia’s (FAKE) case study on National Strategy/Action Plan.
- Discuss and do a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis of the governance process in FAKE’s development of National Strategy/Action Plan. Remember the 3 governance components: laws and norms; institutions and processes; and 4 governance principles: accountability; transparency; participation and rule of law.
- Complete and copy the table below into a flipchart.

The Federal Autonomous Kingdom of Elbonia

Strengths	Weaknesses
Opportunities	Threats

Part 2

Instructions

- Reflect on Bhutan's experience in developing the REDD+ Readiness Roadmap (R-PP) or other natural resource policies.
- Discuss and do a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis of the governance process in Bhutan's development of the R-PP or other natural resource policies. Remember the 3 governance components: laws and norms; institutions and processes; and 4 governance principles: accountability; transparency; participation and rule of law.
- Complete and copy the table below into a flipchart.
