

# DAY 1: The non-AC Reality

- Levels of engagement are improving... but we still have a way to go!
- Progress in:
  - Participating in national bodies (e.g., PEB)
  - Self-organising (e.g., national platforms)
  - Relationships with governments (some ministries!)
- Challenges remain:
  - Participation in decision-making and activities (e.g., drivers)
  - Institutionalising participation at policy levels
  - Capacity and language
  - Funding participation

# DAY 1: Regional Issues

Challenges and opportunities to connect regionally

- Policy Board representatives:
  - Grace **BALAWAG** – IP Rep
  - Tek Vannara – CSO Rep
- Improving CSO coordination:
  - Communication channels (listervs, skype calls, regional gatherings)
  - Improving self-selection process

# DAY 2: The Road Ahead

- Crash course on REDD+
  - Entry points for IP and CSO participation
  - How to be strategic
- Working Groups - Developing Solutions:
  - Challenges and opportunities from Day 1: turning these into action points
  - Identify key needs going forwards
  - Ways to influence national REDD+ processes
  - Building regional alliances – making them work for you
