

# **Sesión 6. Colección de observaciones relativas a los SNMB para REDD+ e identificación de necesidades de fortalecimiento de capacidades**

**Tena, Ecuador**

Friday 26 April 2013

1. Identificar y priorizar necesidades de fortalecimiento de capacidades para 3 diferentes componentes de SNMB para REDD+ (focus on 1. NFI, 2.Remote sensing, 3. Other data).
2. *Países que escriban en pin-tarjetas para listar las áreas prioritarias para el CD de MRV para REDD + (Write down your own 3 ideas down on the cards (5 mins).*
3. Group to show to each other and discuss the cards. What are the gaps in Capacity and what are the most important?
4. Agree on the best ones to use in the plenary session and who will present them. *Grupo representativo de cada país o unirse juntos si <2 personas o cuestiones similares.*

*10-11am*

1. Participantes indican tópicos de capacitación en SNMB/MRV a nivel regional (diferentes países) y se prioriza (group under 1. NFI, 2. Remote sensing, 3. Other data).
  
2. Country rep to pin or stick up the cards and speak briefly about the country's capacity-development needs.
  
3. Plenary to discuss the list.
  - What are the GAPS in capacity?
  - Do some countries have specific unique needs?
  - Are there COMMON topics?
  - Could they be supported through regional approaches?
