

Note sheet

Choosing a minimum of two safeguards, please consider the following two questions when reading the Cancun safeguards.

1. Which themes or terms of the Cancun safeguards require clarification in a national context?
2. What have your experiences been in clarifying these themes or terms in your national context? Alternatively, what are some appropriate ways of clarifying them?

1. Themes or terms of the Cancun safeguards that require clarification	2. Experiences or appropriate ways of clarifying these themes or terms?
