

UN-REDD
PROGRAMME

Towards Full and Effective Participation of IPs in REDD+: Draft Harmonized Guidelines on Stakeholder Engagement

Joint FCPF, UN-REDD and FIP Side Event

UN Permanent Forum on Indigenous Issues, 18 May 2011

Harmonization: Practical Implications for Countries

- One shared approach by FCPF and UN-REDD to support stakeholder engagement in readiness activities with a focus on Indigenous Peoples and Other Forest-Dependent Communities
- Streamlining of consultation processes to one shared process
- Maintaining the rigor of existing standards by each initiative

Harmonization of FCPF and UN-REDD Programme Stakeholder Engagement Guidelines

FCPF Guidance Note on Stakeholder Engagement

UN-REDD Programme Operational Guidance on Stakeholder Engagement

Harmonized Guidelines on Stakeholder Engagement

Structure and Contents of the Harmonized Guidelines

- Principles for Effective Stakeholder Engagement
- Operational Guidelines for Participation and Consultation
- Practical Steps for Carrying out Effective Consultations
- Annexes: Guidelines Specific to the UN-REDD Programme (FPIC)
 - Relevant WB & UN Policies
 - Relevant Resources & Tools

Stakeholder consultation on the Harmonized Guidelines

- Extensive consultations to develop FCPF and the UN-REDD Programme's original guidance
- Bank Information Centre and the UN-REDD Programme's Independent Advisory Group have reviewed the document
- Harmonized Guidelines are being made available online and will be presented to the decision making bodies of each programme
