FREDDI by REDD+
Agency

FREDDI or Fund for REDD+ Indonesia is designed as a 'fund of fund' of REDD+ Agency that is responsible for managing, channeling and mobilizing REDD+ funds in a transparent, effective, efficient, fair and accountable in support to achieving the REDD+ National Strategy.

Presidential Regulation 62/2013 regarding REDD+ Agency issued in August 2013 defines Funding Instrument as:

"funding management instrument that is established by the Head of the REDD+ Agency to guarantee a transparent management of fund that is transparent, accountable, effective in accordance with the guidelines and REDD+ funding safeguards pursuant to the prevailing laws and regulations"
