

# MAKING CLIMATE ACTION INCLUSIVE IN FORESTED LANDSCAPES

////// Interactive Session ////

GLOBAL LANDSCAPES FORUM

Bonn | 22 June 2019 | Maritime Hotel | 4:00 pm

This session will share and discuss approaches and experiences to ensure climate policies, actions and financial instruments are inclusive, notably in terms of promoting the rights of indigenous peoples and local communities, as well as mainstreaming gender equality. It will focus on forested landscapes and on efforts to reduce deforestation to address the climate crisis.

Representatives from indigenous peoples, as rights holders, will present their cases, which will be commented by representatives from development partners. The discussions aim at scoping the opportunities of climate policy & finance to advancing the rights of indigenous peoples, and the approaches required to harness them.

Facilitator: **Ms. Serena Fortuna** (UN-REDD) | Synthesis: **Mr. Josep Garí** (UN-REDD)
