

UN-REDD

PROGRAMME

The United Nations Collaborative Programme
on Reducing Emissions from Deforestation and
Forest Degradation in Developing Countries

REQUEST TO PARTICIPATE IN THE UN-REDD PROGRAMME

I Dr Abdul Rahim Hj Nik, serving in my capacity as REDD+ National Focal Point or equivalent function, hereby formally express the interest of the Government of Malaysia to participate in the UN-REDD Programme. **My country wishes to participate in the following:**

The UN-REDD National Programme's support to national REDD+ activities, understanding that funds for National REDD+ readiness (Readiness Phase 1) are limited and subject to a process for prioritization set up by the Policy Board.

The UN-REDD Global Programme's support to national REDD+ activities, including receiving technical support and participating in trainings and workshops, understanding that participation will be funded by the UN-REDD Programme when possible.

The UN-REDD Programme's online workspace, which is the Programme's primary tool for knowledge sharing. Among many features on the workspace, partner countries can access and contribute to their dedicated country page, a large repository of REDD+ publications, a daily news feed with the latest REDD+ news, and the ability to network with a large community of REDD+ stakeholders.

The UN-REDD Programme Policy Board as observer, understanding that participation is self-funded and subject to the approval by the Policy Board.
