

National Programme Document Revision table

Country: the Solomon Islands

Date: 10 April 2011

A) Comments relevant to the document (revision and elaboration phase)*

Recommendation (s)	Source (Independent technical review, Secretariat review, Policy Board comment)	Addressed in (Page No. and brief description)
1. Support for the Initial National Programme, but recording that this support in no way implies any guarantee for receiving funding for a full National Programme in future.	Policy Board Recommendation	Para 3, Page 14 - Noting the strategy of the GoIS to continue to look for supplementary financing sources, as well as its understanding that there is no guarantee of further funding through UN- REDD
2. Recognition that UNDP has an office in Honiara that will to support the management of the programme.	Policy Board Recommendation	Para 4, Page 11 - Please see under UNDP
3. Recognition of the role regional cooperation in assisting with enforcement and governance issues.	Policy Board Recommendation	Para 2, Page 12 - Please see under CROP
4. Reference to governance and monitoring of social and environmental safeguards.	Policy Board Recommendation	Page 20 - Please see under Output 2.3
5. To clarify the extent of the reliance on UN-REDD funding and identify other funding sources.	Policy Board Recommendation	Para 2 and 3, Page 14
6. Address land ownership issues that are similar in Melanesia.	Policy Board Recommendation	Para 2, Page 17 - Please see under Land Ownership
7. Share approach to Pacific forums for exchange of experience at a regional level.	Policy Board Recommendation	Para 2, Page 16 - working closely with CROP to secure access to necessary expertise and knowledge networks
Comments on Risk mitigation Strategies	Secretariat review	Please see the revised risk mitigation strategies on Pages 30-32

B) Comments relevant to the inception and implementation

phase*

Comment (s)	Source (Independent technical review, Secretariat review, Policy Board comment)	Means of addressing in (Page No. and brief description)
