TARGETED SUPPORT APPROVED SINCE JANUARY 2012 UNTIL 24 NOV 2014

i) Activities under the SNA/Global Programme classified as direct and targeted support.

ii) The table includes official requests and replies (+ some approved amounts* during Jan-March 2012, prior to established process). Targeted support under discussion for which official requests have not been submitted are listed in a separate table.

iii) The table is updated by the Secretariat and available on the Workspace under Global Programme>Targeted Support (http://www.unredd.net/index.php?option=com_docman&task=cat_view&gid=2472&Itemid=53). In the same folder there are country folders with the official correspondence. The official correspondence is also saved in the National * See excel sheet "From March 2012"
