

Eleventh Policy Board meeting

South-South Knowledge Exchange on National REDD+ Fund Design

Geneva, Switzerland
9-10 December 2013

Introduction

- In partnership with the FCPF and more recently with TNC
- Originally involving **6 countries**: Brazil, Colombia, DRC, Ethiopia, Indonesia, Vietnam – **more** countries have joined: Ecuador, Mexico, Costa Rica and Peru
- Different modalities
 - videoconferences
 - face-to-face meetings
 - on-line knowledge platform on the UN-REDD Workspace
 - South-South field visits

Priority topics

Priority topics identified by countries during **1st workshop** in **Bonn** in May 2013:

1. Modalities of fund disbursement

(targeted vs. competitive bidding, large vs. small scale, results based payments)

Topic of 2nd workshop
in Oslo in October
2013

2. Aligning national funds and strategic goals

(translating national REDD+ strategies into fund portfolios)

3. Fund governance (structure, funding flows, multi-sector/level coordination)

Topic of 1st webinar to be
organized in January 2014

Priority topics for next year

4.Sources of funding (uncertainty, long-term sustainability, private sector, leveraging domestic resources)

5.Safeguards (coherence b/w different standards, implementation and enforcement, grievance mechanisms)
