

REDD + CAMBODIA TASKFORCE SECRETARIAT

PRE-WORKSHOP SURVEY

August 30, 2013

<u>Objective</u>: The following survey is to generate a baseline by which to measure changes in awareness about REDD+ over time, and also to allow the REDD+ Cambodia Taskforce Secretariat to target awareness raising efforts where they are most needed. Your cooperation is much appreciated and very valuable.

The data collected through this survey is for the exclusive and confidential use of the REDD+ Cambodia Taskforce Secretariat. Your identity (should you choose to provide it) and your answers will never be disclosed to anyone.

Name (optional):
