25 January 2009

Dear Mr. Katerere,

It is with great pleasure that I send you the validated UNREDD National Joint Programme – Bolivia. I kindly request your consideration of the NJP during the next policy board meeting.

Please find attached the validated National NJP Bolivia, an executive summary of the NJP in English and the minutes from the NJP validation meeting where the government and representatives from five civil society organizations validated and expressed their support to the document.

Please do not hesitate to contact us for any further information or clarification.

Thank you and best regards

Yoriko Yasukawa
Resident Representative
