

# REDD+ HOUR

## TITLE, TIME AND VENUE OF THE SIDE-EVENT

### **Measuring and monitoring of biodiversity and ecosystem services within REDD+**

Ecosystems Pavilion: Room 211A, 1st floor, Building 2

Friday, 22 October 2010, 6:00 - 7:15pm

## OBJECTIVE

Exploring the role of biodiversity in the UNFCCC REDD+ debate and measurement and monitoring opportunities on biodiversity and ecosystem services within REDD+ processes.

## SYNOPSIS

The fourth session of the REDD+ Hour will present tools and experience on how to measure and monitor biodiversity and ecosystem services and exploring how these can be utilized in national REDD processes. Barney Dickson (UNEP-WCMC), Kanehiro Kitayama (Kyoto University) and Atiek Widayati (ICRAF).
